

The Electrical Wholesaler's Source for Lamps, Ballasts & Sockets.

EXPERT CUSTOMER SERVICE

Our knowledgeable, experienced customer service representatives provide you with friendly, fast, courteous and personalized attention.

HUGE INVENTORY

We have three warehouses across the country offering more than 30,000 products and representing over 150 manufacturers. You have the benefit of accessing our inventory of hard-to-find, obsolete, slow moving products, as well as everyday stock. Lamp identification is our specialty. Ask about custom lamp painting and tuff coating.

FAST SERVICE

It usually takes two minutes or less to get a quote or place an order with us. We offer same-day shipping and provide an 11 hour order-placing window with offices in the Western and Eastern United States.

BLIND SHIPPING

Direct from our warehouse to your customer. We'll ship in plain boxes with your "packing slip" and no other identifying markings.
