Description

12w 350ma triac dimmable constant current led driver

- Input Line Voltage: 120Vac 50/60Hz
- Output Voltage: 29-48vdc
- Constant Current Output: 350ma
- High Power Factor, Low THD
- Auto Recovery
- Open Circuit Protection
- Short Circuit Protection
- Output Current Tolerance 5%
- Dimensions: 3.42 X 1.57 X .90
