DOUBLE LIFE AIRFIELD LAMPS

Current-controlled halogen lamps

- At least twice the life of standard lamps
- Meets or exceeds ANSI specifications
- Save on maintenance costs
- Minimize downtime in airfield operations

Take advantage of the improved performance of OSRAM's DOUBLE LIFE halogen airfield lamps and save on maintenance costs. This new line of current-controlled, single-ended lamps lasts twice as long as the standard types.

These DOUBLE LIFE lamps are direct substitutes for their counterparts offered in original fixtures. The extended life allows airports to reduce maintenance costs, and minimize the number of interruptions to airfield operations.

Lamp Comparison

NAED Code	Lamp Description	ANSI Code	Wattage	Base	Lumens	Average Rated Life (hrs)	Package Quantity
