

A19

Standard Base

Frost

Soft White

- 130 Volt
- 2000 hours
- 5600 hours for 130 volt lamps used on a 120 volt line.

TRIPLE LIFE

**Lasts 3 Times Longer
than standard 120 volt
light bulbs**

and Brass Base

VIBRATION SERVICE

WATTS	FEIT ITEM NO.	VOLTS	DESCRIPTION	AVERAGE LIFE HOURS	LUMENS	M.O.L.

*Life when used on 120 volts

† Lumens when used on 120 volts

Life is increased approximately 3 times, lumens decreased by approximately 25% and wattage decreased by approximately 10% when these 130 volt lamps are used on a 120 volt line.
