C7 / E12 / Faceted LED Bulb – 25 per pack

Action Lighting product SKU: 100C7USMD

These efficient LED C7 bulbs are perfect for both indoor and outdoor use. A glass-filled base and silicone sealant between the shell and end cap make these bulbs completely water- and ice-proof. Consuming only 0.6W per bulb, these are 10x as efficient as incandescent bulbs and over 5x as long. These bulbs feature a faceted pattern molded into the plastic bulb shell, making them bright and vibrant when viewed from any angle.

TECHNICAL SPECIFICATIONS:

- Dimensions
 - Diameter: 7/8"
 - Height: 2 1/8"
 - Base: E12
- Durability
 - Material: Impact resistant polycarbonate
 - Life Expectancy: 50k hours
 - IP Rating: IP65 (Indoor / Outdoor)
 - Silicone compression seal for superior weather resistance**
- Optical
