HEADLIGHTS

Performance, Longevity, and Style

SYLVANIA LED Sealed Beam Headlights let you update your vehicle's lights with the clarity and performance of LED lighting technology.

Engineered to provide a superior 6000K white light, as well as style and durability, these direct replacement LED lamps are DOT compliant, legal for on-road use when installed properly. High-performance OSRAM OEM grade LED chips outlast traditional halogen lighting.

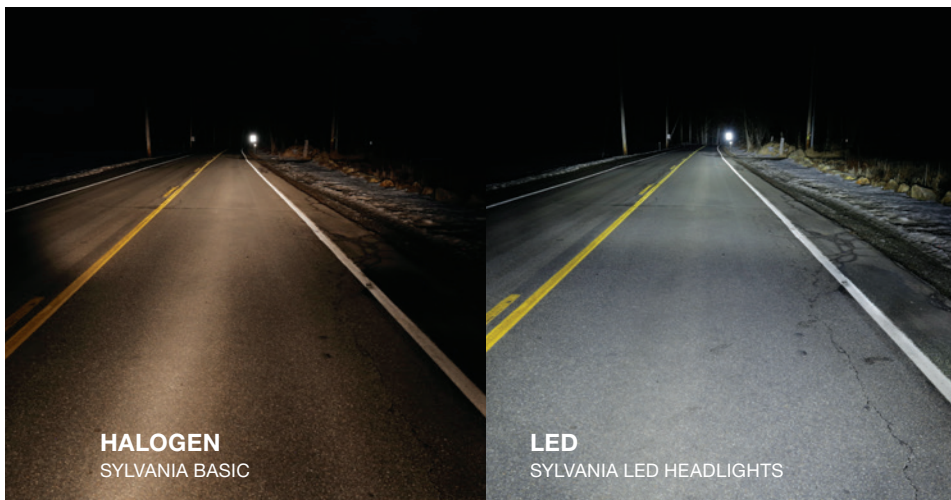

SYLVANIA LED Sealed Beam Headlights are backed by a 5-year limited warranty.²
