

LED LAMP

SPECIFICATIONS

The Feit Electric Enhance product line features our highest quality energy efficient light. This GU10 base flood light replaces your current 35-Watt halogen MR11. This higher performance bulb also has a high (CRI) of 90+ so colors appear more realistic and vibrant. Rated to last an average life of 25,000 Hours/22.8 years, the bulb lasts up to 25 times longer than the equivalent incandescent light saving you time and money. The versatile traditional glass style MR11 LED bright white is fully dimmable and is an ideal replacement light for outdoor and track lighting applications.
