

ELite-LED XL

NEW

The Most Cost Effective Way to Upgrade from Fluorescent to LED

The new ELite-LED XL is the perfect solution for an easy upgrade to LED from our fluorescent Slimlite XL. This product uses the same connecting and power cables as our SlimLite XL T4 and T5 allowing for an easy retrofit. The ELite-LED XL uses half the energy of T5 fluorescents with the same brightness and more than twice the lifetime.

Product-Features

- 120 Vac LED with integrated electronic driver
- Available in five different sizes: 1' (5 W), 2' (9 W), 3' (12 W), 4' (15 W), 5' (18 W)
- Stocked in 3000 K and 4100 K
- Available from 2700 K to 6500 K by special order
- Finish: White housing with white frosted lens
- 50,000 hours usable life
- Good CRI > 80
- Efficacy: 77-90 lm/W
- Fixtures can interconnect with direct connectors or accessory cables
- Optional hardwire adapter box available
- Magnetic mounting clips available
