

LED LAMP

SPECIFICATIONS

Ideal For

Flush Mount Ceiling | Drop-In Installation

Features

- Modern slim edge-lit design is perfect for low ceilings and makes any room architecturally pleasing
- Choose from 5 color temperatures depending on the task at hand. Select prior to installation or use a standard wall switch
- Energy efficient LED technology uses considerably less power compared to equivalent incandescent lights
- Easy-to-install mounting brackets, enables simple installation in both residential and commercial buildings
- Integrated LED lighting provides energy savings over conventional light fixtures and 50,000 hours of reliable light, with no bulbs to replace
- LED light offers instant-on to full brightness, 100% mercury-free construction, and damp location rating

Benefits

- No Light Bulbs to Replace or Dispose
- Durable
- Long Life
- Even Light Distribution
