

Premium Series Under Cabinet Task Light with Convenience Outlet

Model: G22WH-CP-CO

Key Features

- Convenience outlet
- On/off switch
- EnergyStar
- 5' cord/plug
- UL Listed
- 5 year warranty

Applications

Developed to be the perfect Undercabinet LED lighting luminaire for commercial, retail, hospitality and residential applications. The luminaire can be used under and over-cabinets, task and utility work areas. The low-profile modern looking sleek design is available in 22 inch length.

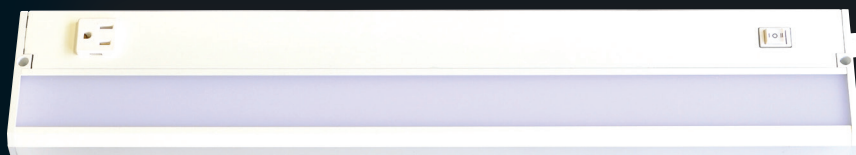

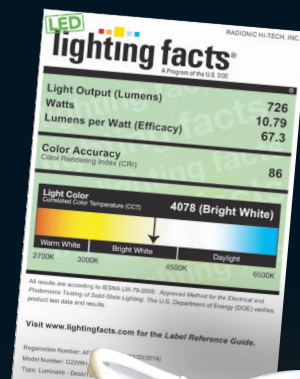

The G22WH-CP-CO version adds a new dimension to versatility by including a **120VAC Convenience Outlet** to power up to 9 Amps.

Construction

Available in soothing White color, G CP-CO model has **captive screws**, clutter-free wiring compartment and can be installed with minimal effort. Not linkable. The diffuser optics allows for an extremely smooth light pattern that eliminates most glare.

High/Low switch included.

Available in 2700K, 3000K & 4000K with high CRI 86+*.
