## ValueLED™ Garage Luminaire – CCT Selectable

### Key Features and Benefits

**Application :** The ValueLED Garage series is offered in three wattages/lumen packages for use in garages, canopies, and mid bay general lighting.

- CCT Selectable (3000K, 4000K, or 5000K) enabled through switch located inside fixture
- Optional Daylight/Motion sensor available
- IP65 rated body with polycarbonate lens offers easy mounting, reducing installation and maintenance costs
- High color rendering and DLC Premium listing ensure energy efficiency and provide low glare and uniform lighting

Wattage	CCT (K)	Voltage	Distribution	Sensor Option
25W	3000K, 4000K, or 5000K	120-277	Type V	Daylight / Motion
40W	3000K, 4000K, or 5000K	120-277	Type V	Daylight / Motion
55W	3000K, 4000K, or 5000K	120-277	Type V	Daylight / Motion

## ValueLED™ Garage Luminaire – CCT Selectable

### Key Takeaways

---

- CCT Selectable via internal switch feature allows the selection of desired CCT (3000K, 4000K, or 5000K) during installation, reducing the # SKU needed for the family
- The IP65 rated body with polycarbonate lens is designed for flexible and easy mounting (pendant or surface), reducing installation and maintenance costs
- The optional Daylight/Motion is available to meet State/Local codes and maximize energy savings
- With its >80 CRI the fixture provides excellent color rendition
- Its DLC Premium listing ensure excellent energy efficiency and maximize the benefits of available utility rebates
- Its optical design provide low glare and uniform lighting
