Product Description

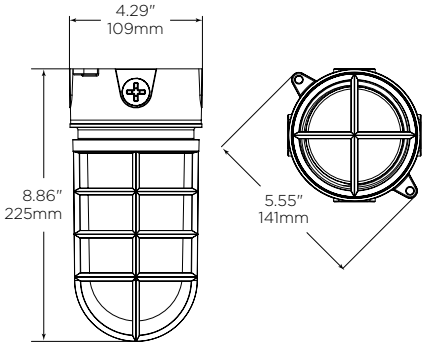

The Jelly Jar Lamp Ready luminaire is a durable weather-resistant fixture designed for wall or ceiling mounting applications that uses an LED Lamp source. Featuring an aluminum housing, frosted polycarbonate globe, and an E26 socket suitable for enclosed rated LED lamp, it provides reliable illumination for outdoor environments.

Features

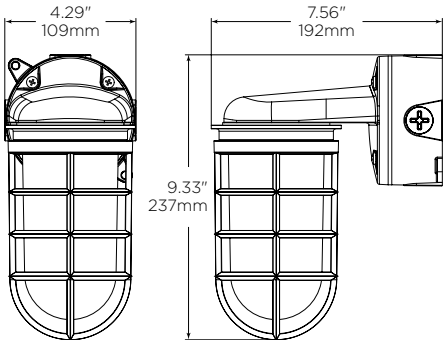

- Wall or Ceiling Mount Design: Flexible installation for indoor and outdoor applications
- Globe: Frosted impact resistant UV stabilized polycarbonate provides soft, diffused uniform illumination. Clear and Glass versions available as an option.
- IP65 – designed for reliable outdoor performance
- Durable die cast aluminum housing and guard with corrosion resistant polyester powder coat finish
- Easy Maintenance: Standard E26 socket allows simple lamp replacement
