

E27/E40 LED CORNCOB LIGHT

Main Features:

- Energy saving high power LED light to replace conventional HID & CFL bulbs.
- Fast turn on; no warm-up or cold start problems
- Input voltage: 100-280VAC
- Estimated life hours: >50,000
- Sturdy PCB housing. Ideal for warehouse, indoor lighting, street lamps.
- 80% more energy saving compared with conventional street lights, CFL, and incandescent light.
- High CRI with great directionality

SPECIFICATIONS:

- Input voltage: 100-280V
- Frequency range: 50-60hz
- Available wattages: 15W, 20W, 30W, 40W, 60W
- Color Temperature: 2700-6700K
- Integrated Heat-Sink Design
- Beam Angle: 360 degree
- Life hours: >50,000
- 2 year warrantee
- CE & ROHS Certified

ORDERING INFORMATION

MODEL #	Base	Power	LEDChips	Luminous Flux	Working Voltage	Dims(mm) d x l
LED15WMD	Med/Mog	15W	216	1600lm	100-280ac	73 x 160
