Part #	Bulb Dia	LEDs	Color	Packaging+
LDSMG40PW	1-1/2"	5	Cool White	25/500
LDSMG40SWW	1-1/2"	3 SMD	Sun Warm White	25/500
LDSMG5017SWW	2"	3 SMD	Sun Warm White	25/250

+Packaging: Pieces per inner case/pieces per master case

- Shatter-resistant plastic shell
- Dimmable (use only LED-compatible dimmers)
- UL listed and CSA approved for indoor and outdoor use
- Manufactured by Minleon International
- 1 year limited factory warranty
- Fits directly into any intermediate base (E17) socket
- 0.96W (5 LEDs) or 0.58W (3 SMD LEDs) actual power consumption, but use 2W for installation calculation purposes
- Average life hours: 30,000

LED G40 (1-1/2" dia)
sun warm white
(smooth plastic)

Ideal for temporary applications such as weddings/special events requiring frequent installations and take downs. Also good for locations with limited access to power.
