Diameter (in)	13

Product Data

Item Number	87748-SU
Case Quantity	6.000000
Barcode on SKU	653703877488
Brand	Sunlite
Description	LFX/MU/13"/21W/SCT
Energy Star File Number	2370905

Additional Features

ENERGY STAR CERTIFIED	True
-----------------------	------

Fixture Characteristics

Number of Lights	1 - Light
Mounting	Surface
Use Location	Indoor

- **BENEFICIAL & ADJUSTABLE:** Since the Sunlite 13 Inch Mushroom Flush Mount Ceiling Light Fixture has LED color changing technology, there is no need to buy multiple fixtures with different color temperatures; saving you time and money. Each fixture has 5 different color temperatures (2700K, 3000K, 3500K, 4000K, and 5000K) and is as easy as using a switch. Each fixture has the inner switch to adjust the color temperature desired.
- **LOW PROFILE & POWER EFFICIENT:** Only 11 inches in diameter, this fixture has a low profile with a modern minimalistic design. It easily blends in with any open space. Perfect for spaces with little lighting. Awesome with low ceiling designed areas as well! This fixture only draws 15W of power yet emits enough light equivalent to an 80W incandescent light bulb (80% Energy saving). Simple but with amazing brightness due to its Lumen output of 1050!
- **DIMMABLE:** When paired with LED compatible dimmers; switching the output of each color temperature is simple. The dimming capabilities allow you to adjust the brightness of each temperature, which is great for setting that perfect mood. For more information on compatible dimmers, please view our dimmer capability chart.
- **WATERPROOF & CONVENIENT:** This flush mount ceiling light is also rated IP44, which is ideal for areas like kitchens or bathrooms. Since the color temperature can be easily adjusted; you can meet different demands in areas that require more coverage lighting like bedrooms, hallways, guestrooms, and garages. Great for small spaces like pantries and walk-in-closets!
- **EASY INSTALLATION & LONG SERVICE LIFE:** Designed to be installed with the mounting plate, all it takes is a simple screwdriver to mount the plate and hands to twist the diffuser to the plate. (complete installation steps will be included) With 50,000 Hours of service life, this translates over 10 Years of continuous service for 8 hours of lighting per day. We back the quality of our products with a 5-Year Warranty Policy. See packaging for more details.
