

**Sunlite 87787 12" LED Outdoor Ceiling Light, Octagon Flush Mount Fixture, Adjustable 3 CCT 3000K-5000K, 17 Watts, 800 Lumens, Dimmable, Matte Black Frame, Frosted Glass, For Porch, Garages & Entryways**

**DESCRIPTION:**

Add a classic touch to any home or business with this Sunlite Outdoor LED Ceiling Light. The Mission-Style design black metal frame sports a frosted glass diffuser. This tunable fixture features innovative technology that allows you to choose the color temperature at the time of installation. Select 3000K Warm White, 4000K Cool White, or 5000K Super White depending on your preference, using a switch located inside the fixture. This outdoor fixture is a no-maintenance lighting solution for residential or commercial use with energy-efficient LEDs—a long 50,000-hour lifespan for years of maintenance-free service. Output is a bright 1000 lumens while only using 20 watts of electricity.

**FEATURES:**

- **SLEEK DESIGN** - This outdoor ceiling light fixture combines an elegant black grid design, making for a gorgeous-looking fixture. The frosted glass diffuser provides the perfect light distribution while making the black mission style design central. Perfect for layering lighting to create a well-lit and balanced space.
- **DECORATIVE AND INNOVATIVE**- Understated and vintage appeal, this fixture will add that minimalistic curb appeal to any home. By providing bright illumination, the flush mount light makes for great lighting for your outdoor entrance. The minimalistic ceiling light spreads proper light over surrounding walls and ground. Its rounded frosted diffuser to soften the light makes it perfect for porches, indoor/outdoor hallways, and more residential or commercial areas. Output is a bright 800 lumens while only using 17 watts of electricity.
- **ADJUSTABLE COLOR TEMPERATURE** - Test different color temperatures before installation and never be dissatisfied with CCT again. This simplistic fixture has adjustable LED color-changing technology (3000K, 4000K, 5000K), quickly meeting different demands in areas. With a simple switch inside the fixture, the color temperature is adjusted to your desire. **PLEASE NOTE:** select the desired color temperature before completely mounting the fixture. (Instructions included).
- **DIMMABLE**- When paired with LED compatible dimmers, switching the output of each color temperature is simple. The dimming capabilities allow you to adjust the brightness of each temperature, which is great for creating different atmospheres. UL listed for WET locations.
- **UL LISTED** - ETL Listed for damp locations, which is excellent for kitchens and bathrooms. Place in outside in

## SPECIFICATIONS:

### General Characteristics

Average Rated Hours	50000
Finish	Black
Average Life Span Years	46
