

miniNostalgic Collection

- Meticulously handcrafted to preserve the look of early 20th-century lighting, Bulbrite's miniNostalgic Collection is the perfect complement to any vintage or contemporary décor. Recognized for their antique finish, defined steeple and intricate filament design, these bulbs are ideal for any transparent light fixture, both indoor and outdoor.
- Excellent replica of antique light bulbs
- Bright filaments give off a warm, amber glow
- Perfect accent for any antique décor
- Candelabra base
- Ideal for use in chandeliers and sconces
- Compact size for smaller lighting designs
