

LED LAMP

SPECIFICATIONS

The Feit Electric LED Enhance product line features our highest quality energy efficient light. This GU24 base soft white omnidirectional A19 LED light bulb produces a similar light output while using less energy than a standard 60-watt incandescent light bulb. This high performance bulb also has a high CRI of 90+ so colors appear more realistic and vibrant. Each A19 bulb has an average life of 25,000 hours / 22.8 years, is RoHS compliant and 100% mercury free. Choose a dependable Energy Star approved bulb for general purpose residential or commercial applications. Suitable for enclosed fixtures or outdoor use.
