ENERGY STAR

Selectable Color Technology

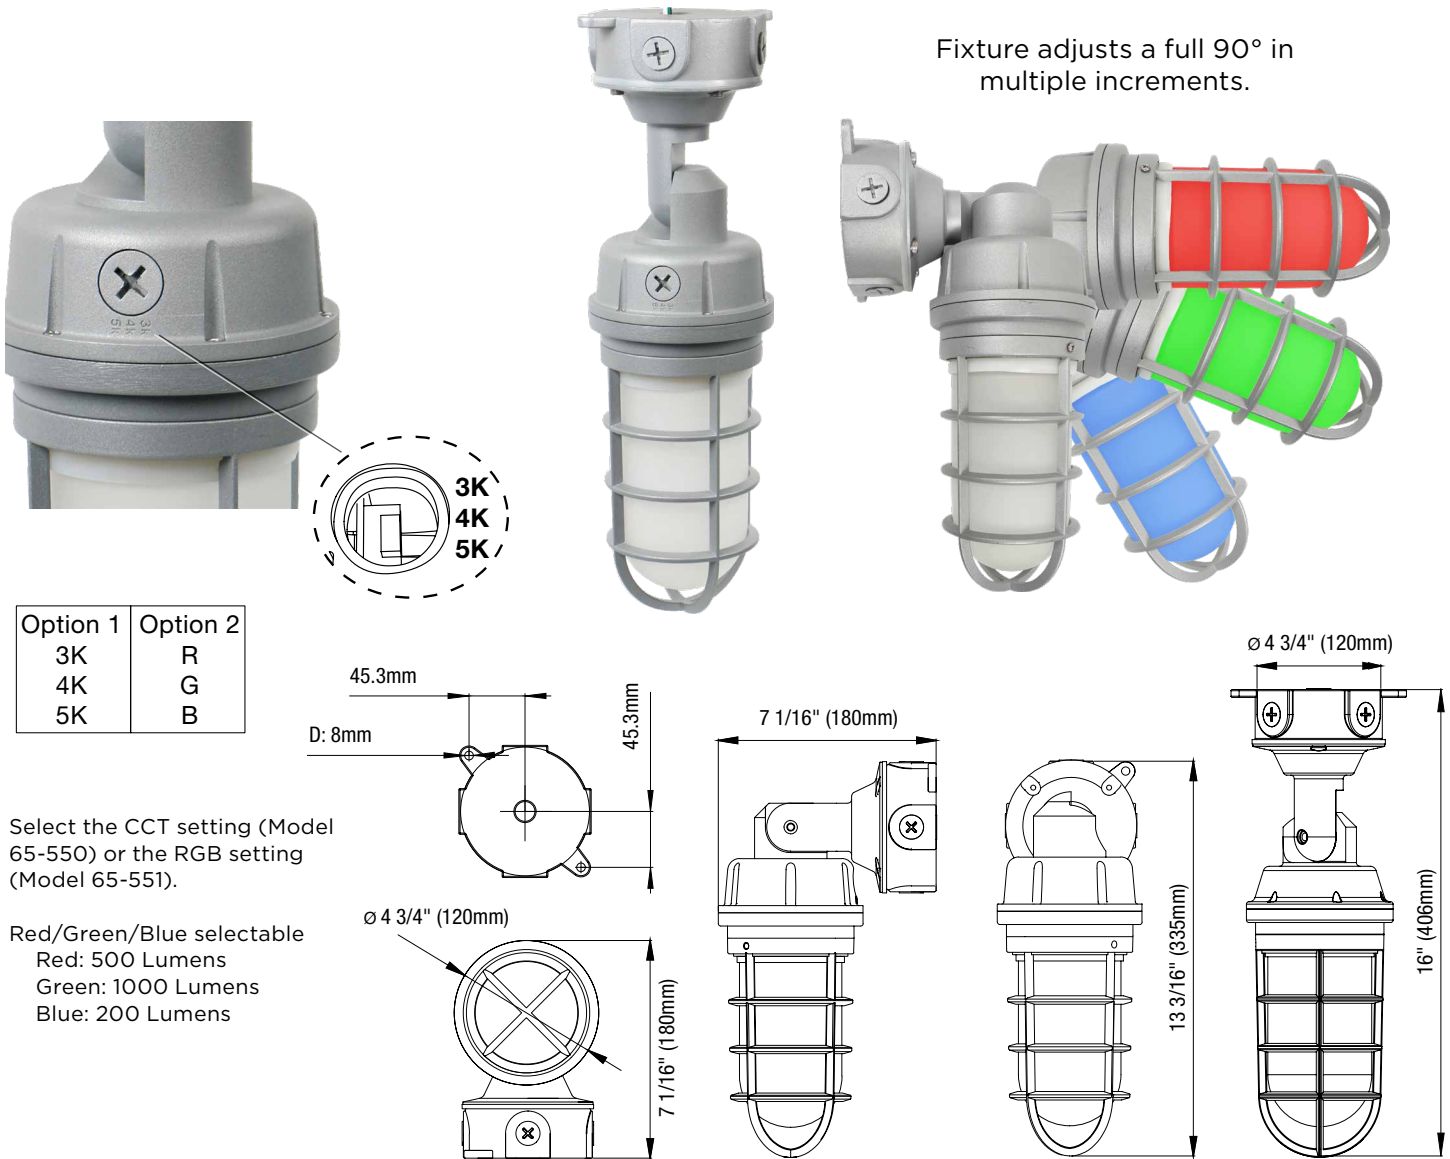

Switch to/from the following CCT

3500K 4000K 5000K

Our latest LED vapor tight fixture offers all the advantages of superior, cost-saving LED light and now two new features—CCT selectable or Red/Green/Blue selectable versions—for more versatility. Both the RGB & CCT versions share the same fixture footprint and can be used to cover CCT needs for general lighting and RGB needs for the designation of locational or safety indications within the same project.
