

Product Type:	LAMP / BULB	Technology:	INCANDESCENT
----------------------	-------------	--------------------	--------------

ELECTRICAL PROPERTIES			
-----------------------	--	--	--

Watts:	25W	Volts:	130V
---------------	-----	---------------	------

Voltage Group:	LINE VOLTAGE
-----------------------	--------------

PHYSICAL CHARACTERISTICS			
--------------------------	--	--	--

Finish:	CLEAR	Shape:	T8
----------------	-------	---------------	----

Base:	E12 / CANDELABRA	Overall Length (mm/"): 2.625"	
--------------	------------------	--------------------------------------	--

Diameter (mm/"): 1"		Filament:	C5A
----------------------------	--	------------------	-----

LIGHT OUTPUT MEASUREMENT			
--------------------------	--	--	--

Lumens:	190L
----------------	------

LIFE			
------	--	--	--

Life:	2500H
--------------	-------

PART NUMBERS & ORDERING INFORMATION			
-------------------------------------	--	--	--

BT Part#:	SA25T8C130V	BT Description:	SA 25T8/C 130V #S3907
------------------	-------------	------------------------	-----------------------

BT Ordering Code:	0015266	Mfg:	SATCO
--------------------------	---------	-------------	-------

Mfg Prod Description:	25T8/C 130V	Mfg Ordering Code:	S3907
------------------------------	-------------	---------------------------	-------
