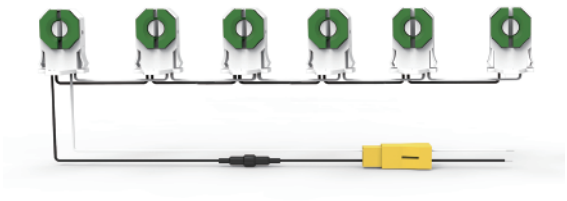
Fast-Fuse Socket Kit

UL Certified Pre-wired TLED Harness

Product Description

Starco's Extended Fast-Fuse socket kits are designed for the challenges of labor cost reduction and industrial safety compliance. We offer superior quality and the highest labor efficiency solution on the market. Our robust fast-fuse socket kit provides extra safety to your electrician and electrical circuit during conversion of the existing fluorescent fixtures to LED. After the fixture has been converted to LED using Starco LED tubes, this kits also protect the LED lamps and circuits from putting a fluorescent tube back to the LED fixture.



Specification

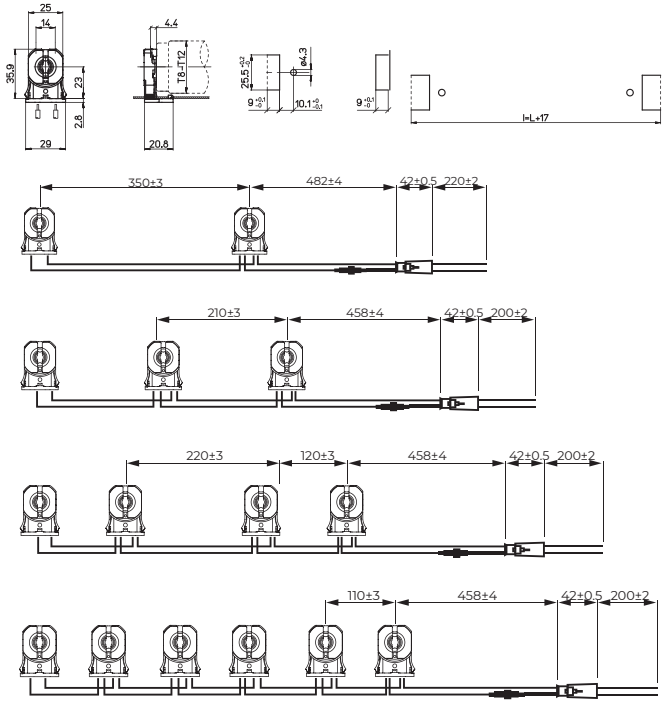
Wire:
Voltage Rating: 600V
Temperature Rating: 105°C
Size: 18AWG
Strand: Solid
Passes UL VW-1 Flame Test

Fuse:
Voltage Rating: 300V
Current Rating: 1.6A or 2A
Size: 5.2x20 mm
Type: Cartridge
Fuse case passes UL94 V0 Flame Test

Mechanical Specifications

- Mounting Type: Push through snap-in
- Enclosed Backside
- PBT Green Rotor
- No Stop Nib

Product Dimensions



Unit:mm

AAG Stucchi Socket

Technical data	
Lamp Cap	G13
Rated wattage and voltage	660W-600V
Maximum operating temp. (IEC)	T140
Protection index	IP20
mpulse withstand category	II

Characteristics
White PBT body
PBT green rotor
Copper alloy contacts
With top test

Ordering Information

Example: SLT8K-6F

Family	Lamp	Category	No. of Sockets	Model
