

# LED Holiday Lights Specification

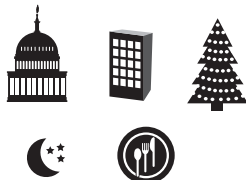

**LED**

50,000 Hours average rated life, 120Volts

## Applications:

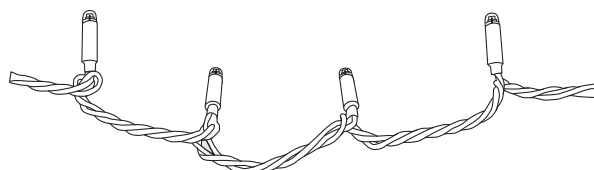

### Accent and decorative lighting including:

- + Holiday Lighting
- + Municipalities
- + Indoor & Outdoor Applications
- + Hotels
- + Restaurants

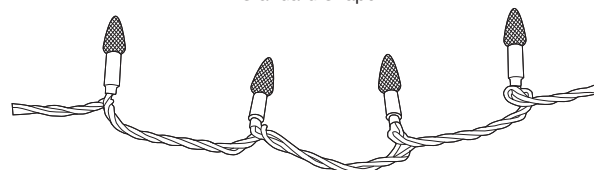

## Features and Benefits

- Long Life; 50,000 hours. Three Year Warranty
- UL listed, product suitable for indoor or outdoor applications
- Stay Lit feature – strand stays lit if one light burns out
- Bright vivid colors from light emitting diodes
- ENERGY STAR® Rated
