LED TUBE READY STRIP

VALUE CLASS

Application

The Value Class LED Tube Ready Strip fixtures are an energy efficient alternative to traditional fluorescent Strip fixtures. They offer the flexibility of installing the desired wattage and color temperature LED T8 Type-B (ballast free) double end lamps to meet the needs of the application. They can be used in retail, manufacturing, warehouse, office, education, low-bay, or general lighting applications.

Benefits and Features

- 2-foot and 4-foot versions
- Available in a 2-lamp version (lamps are not included)
- White powder coated metal body
- Wired to operate UL Type-B (ballast free) double ended LED T8 lamps

Electrical

- 600V rated UL listed sockets and wiring
- T8 lamp holders
- Suitable for damp locations

Warranty

- 5-year
- NLB Trusted Warranty Program

Ambient Operating Range

- Operating temperature limitations are based on the specific lamps installed in the fixture

Certifications and Listings

- cULus
- RoHS

Installation

- Fixture is wired to operate UL Type B (ballast bypass) double end LED T8 lamps
- Lamps are not included
- Fixture is recommended for surface mounting
