| Line Note: 2-3 week lead time | | | |

Total: \$125.00

Terms and conditions of sale:

*****PLEASE REFERENCE QUOTE NUMBER AND JOB NAME ON ALL ORDERS*****

QUOTE IS VALID FOR 30 DAYS ONLY. RE-QUOTE WILL BE REQUIRED FOR RELEASE AFTER 30 DAYS.

Subject to manufacturer's published terms and conditions of sale.
 Quotation is void if changed. Complete BOM must be used, no partials.
 Western Lighting and Energy Controls will only be responsible for counts shown herein.
 Emergency backup by others, unless otherwise noted on the quote.
 This quotation is NOT "per plans & specifications," unless otherwise noted.
 Purchase orders will not be accepted "per plans & specifications."
 Lamps, stems, aircraft cable, pendants, special finishes, factory start-ups, on-site training or other miscellaneous material is NOT included unless specifically stated.
 All items are quoted as equals subject to approval unless otherwise noted.
 Spare materials, samples and mock-ups are NOT included and must be purchased.
 Quotation is based on one release per manufacturer to one location.
 Special freight is NOT included and must be quoted, if required.
 Preshipment of anchor bolts is always plus freight.
 Acceptance of order is contingent upon credit approval by the manufacturers represented on this quotation.
 Any exceptions to this quotation must be agreed to in writing by all parties.
 This quotation is Western Lighting and Energy Controls's best interpretation of contractor and/or distributor furnished pre-bid documents.
 Lead-time varies per manufacturer, contact Western Lighting and Energy Controls for estimated lead-times.
 Custom & Built to Order items are non cancelable and may require a deposit with the purchase order.
 Orders over \$5,000.00 may require a submittal approval or waiver for release.
